

How the Card Works

You have received:

- Two numbered copies of the value card. These cards are registered to your address and may only be used by members of your household. Cards may not be transferred or combined with other offers.
- A directory of the details of all merchants' offers are on the back of this brochure.

Members of your household may use the card at participating merchants throughout 2025. You must present your card to redeem an offer. Merchants may ask for proof of address. *If there is any question about the details of an offer, please ask the merchant before order or purchase.*

One Time Only Offers

Offers that may be used one time only are indicated in the directory with an asterisk. You must present your value card and the merchant's coupon from the included coupon panel to redeem the offer.

The terms of all offers are at the discretion of the participating merchants.

For more details go to mwia.org/membership.

Thank you for your support of the MWIA.
